A group of children are gathered around a large round table, each focused on painting a white ceramic plate. The table is covered with numerous plates, some featuring colorful drawings like fish and landscapes. In the background, a man in a striped shirt stands behind the children, supervising their work. Behind him are wooden shelves displaying many more finished, decorated plates. A sign on the wall reads "Ceramic Painting".

A group of children are seated around a large table, each focused on painting a decorative plate. The plates feature various colorful designs, including animals like lions and elephants. In the background, shelves are filled with numerous finished, framed porcelain plates, creating a vibrant and artistic atmosphere.
